SKILLS

- **Languages:** python, JavaScript, C, C++
- **Technologies:** HTML, CSS, JavaScript
- **Databases/Tools:** PostgreSQL, MongoDB, GitHub
- **Soft Skills:** Problem solving, Team collaboration, Time management, Adaptability

PROJECTS

Diesel Purity Detection System

Dec 2025 - Jan 2026

- Developed an electronic system to detect diesel purity by analyzing fuel-related parameters using sensors and embedded hardware.
- Integrated sensors, microcontroller, and supporting electronic components for real-time monitoring.
- Designed the system to identify variations in diesel quality and provide an efficient purity-detection approach.
- **Tech Stack:** Arduino IDE

Expense Tracker | [GitHub](#)

April 2026-May2026

- Developed a responsive web application to track and manage daily income and expenses with category-wise organization.
- Implemented automatic balance calculation, spending analysis, search/filter functionality, and persistent data storage using LocalStorage.
- Designed an intuitive and responsive interface using HTML, CSS, and JavaScript.
- **Tech Stack:** HTML, CSS, JavaScript, LocalStorage

Study planner | [GitHub](#)

Feb 2025 - Mar 2025

- Developed a responsive web application to organize and manage daily study tasks by subject, date, and priority..
- Implemented task completion, deletion, filtering, and automatic progress tracking using JavaScript.
- Stored study tasks persistently using browser Local Storage for convenient access across sessions.
- **Tech Stack:** HTML, CSS, JavaScript, Local Storage

CERTIFICATES

- Introduction to Cyber Security | [Infosys](#) Apr 2026
- Python for Data Science | [Infosys](#) Feb 2026

ACHIEVEMENTS

- Solved more than **200** programming problems on online coding platforms during regular practice and learning.
- Achieved the **LeetCode 100 Days** Badge by maintaining consistent daily problem solving over time.
- Ranked **Top 10 among 50+ teams** in a college hackathon with an innovative web solution prototype.

EDUCATION

- **Lovely Professional University** Phagwara, Punjab
Bachelor of Technology - Computer Science and Engineering; **CGPA: 6.2** Aug 2025 - Present
- **Jasidih Public School** Deoghar, Jharkhand
Higher school Education **Percentage: 81%** May 2024 - Mar 2025
- **Jasidih Public School** Deoghar, Jharkhand
Secondary school Education **Percentage: 86%** May 2022 - Mar 2023
